## Repair-a-Patch: Patch up a slit tarpaulin in minutes and get back on the road

Our Repair-a-Patch tarpaulin repair kits allow drivers an **easy and quick option** to **repair** slit **tarpaulins** on the road-side, without the need to seek assistance or **lose a place** in the queue. Our repair kits come with sandpaper, degreasing tissues and patches with a complete and **powerful adhesive** backing, ensuring **strong and durable repairs** to be carried out in **minutes**.

Our Repair-a-Patches Kits are available in different sizes:

- **45x32cm (other patches available);**
  - **220cm x 22cm (in a roll);**
  - **220cm x 14cm (in a roll);**

All of our kits come with sandpaper and degreasing tissues for easy application on the move
