

Meter, Utility and Wire Seals

Sealing Pliers (UVPLIER)

Designed to be used with our 10mm UVLD Lead seals. The pliers construction allows for easy closure to ensure the Lead Seals will not slip once applied. As standard they are supplied with a plain die for closure but personalised 3 alphanumeric character dies are available.

Technical Specifications

Material: Cast Carbon Steel and Chrome Plated

Tensile Strength: N/A

Dimensions: Suitable for lead seals up to 10mm.

Customisation Options: Three character alphanumeric die inserts
